Great News!
First successful trade on Zutopia

Hello All,

We are thrilled to announce the first successful trade on Zutopia using real Zucoins and Australian dollars!

On October 18th at 6:14 AEST, 0.1 Zucoin was sold for $10.00 AUD.

This is an amazing milestone, showcasing the seamless process of buying and selling Zucoins via the Zutopia marketplace.

Thank you to everyone involved for making this possible.

We look forward to more users experiencing the ease and success of trading Zucoins via Zutopia.

Transaction Process

Below is the steps involved in a successful transaction.

1. Trade is initiated between a Seller and Buyer
2. Funds are pre-authorised by Stripe for the sale
3. Zucoins wallet holdings are confirmed
4. Successful trade completed between Zucoins wallets
5. Zutopia confirms the successful trade
6. Stripe releases payment to the Seller.
